QUOTE OF THE DAY

“When you focus on someone's disability you'll overlook their abilities, beauty and uniqueness.” - Richard M. Cohen

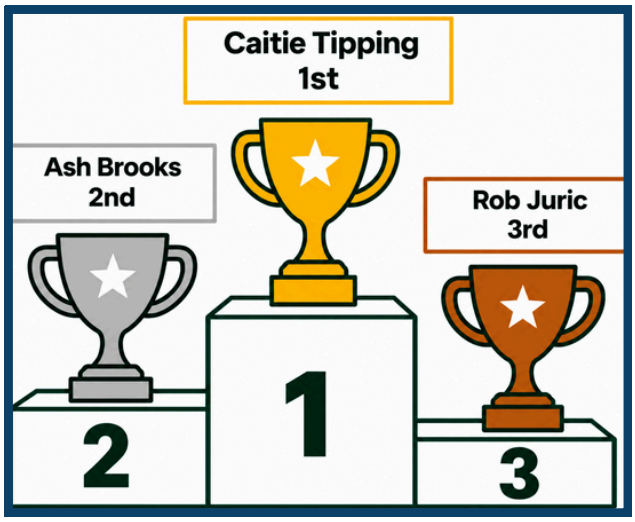

Participant of the Week

This weeks winner is **Holly Miller!** Holly has deserved this recognition for some time now, and its nice to see all of her “hard” work has paid off. Holly lights up every room she walks into and knows how to put a smile on all of our faces, whther its with her charm or her wit. She’s a key pillar within our No Limits community, and we are very grateful to have her apart of the crew. Congrats Holly!

Shannon’s Podium

After a lot of tossing and turniing from Shannon this week, he has finally landed on this podium. Rob has re-entered the scene, with his efforts getting him jnto third position. Ash gets a well deserved spot on the podium after a long wait, however number one belongs to a returning customer; Caitie Tipping, who has worked really hard to take back her rightful spot at the top (or what she believes is her rightful spot).

Worker of the Week

This weeks winner, and our first ever dual winner, is **Caitie Tipping!.** Caitie has worked her way back to the top, and some extra sucking up to Shannon has earned her back her right to the throne. All jokes aside, Caitie is a very beloved member of our No Limits Crew, and all of our participants love her very much. Congrats once again Caitie, well deserved!
