Participant of the Week

This week's winner is **Aimee Miller**! Our movie star Aimee has earned this award for her superstar role in our Filmmaking crew's movie Bring me No. 9. Everyone loved her performance, and she really made the movie with her charm and humour. The movie wouldn't be the same without her.

Shannon's Podium

There's been a lot of movement in Shannon's podium this week, with Lily's charm and conversation starters earning her the first spot. Had to double check this, but Tobey is in fact in second this week, so a big thank you to Shannon's support. Jasmin has earned her way back on the podium, hoping to stay there for at least a while.

Worker of the Week

This week's worker of the week is **Lily Pearce**! Lily always makes us laugh and is always up for a chat. She involves everyone within the group and makes sure everyone has the best experience they possibly can. She's an integral part of the group and very easy to get along with, and we are very lucky to have her here!
