Participant of the Week

This week's winner is **Aiden Schefe!** Aiden always puts in a lot of effort in our Music and Film-making groups with his creativity and passion. He also put on an excellent performance at our film premier through his dancing and singing, and still managed to come through and deliver on the radio show! Congrats Aiden.

Shannon's Podium

- There's been a bit of movement in the podium this week (as there always is), however Melinda's relentless efforts have earned her the top spot, with Charlotte just falling short. Caitie has been demoted to 3rd this week, sharing her disgust as she thought she was in for the top spot.

Worker of the Week

This week's worker of the week is **Melinda Hickey!** Her sucking up to Shannon has paid off as there no one else in his mind that he could pick. All jokes aside, Melinda puts in a ton of effort supporting the Musical Theatre group, ensuring it runs smoothly and getting around everyone, making her loved within the group!
